

The much hyped Ballito Manors complex overlooking Willard Beach is completed with all owners having received occupation of their stunning apartments. This state of the art complex includes some of the most upmarket finishes and security available in Ballito and of course the perfect location overlooking the warm Indian Ocean.

IVK Interiors have been fortunate enough to secure the interior design of approximately fifteen of these stunning properties. With a range of uses for the apartments including holiday letting, corporate rental and private holidays the IVK team has met the unique requirements of each client with spectacular results.

The IVK team has worked very closely with their clients to ensure they were extremely satisfied and in association with Ocean & Earth have ensured the rental apartments were perfectly fitted for holiday letting purposes ensuring their guests are treated to relaxing carefree accommodation.

A number of the apartments are now available for holiday letting and due to their superior quality are booking up fast. Ballito Manors will undoubtedly become the number one holiday destination on the North Coast.

If you wish to view or book these beautiful apartments please contact Ocean & Earth on 0329461671 or visit their website [www.oceanandearth.co.za](http://www.oceanandearth.co.za) for full details and visual tours.
